Good afternoon,

We will not be having any tree trimmers come back anytime soon, but perhaps Clean San Pedro can cut that branch. Is it on 6th Street?

Kind regards,

Lorena Parker

Gary-

I have cc'ed Lorena Parker, Pbid's ED. I am not sure when we have tree trimming scheduled again and it might not be for a while, but Lorena will know more. Also I was asked by a woman on 7th street named Maral of Maral Designs at 331 W. 7th St. and she was asking about relocating to the Arcade Building and I said I would pass her info along. She is a solid merchant who has been around for years and would fit nicely with the other Arcade tenants. Even if there wasn't currently space available I think she would like to be notified if something comes available. Her phone number is [310-418-0109](tel:310-418-0109).

Subject: Camera on arcade

Hi Charles, I just noticing when I was viewing the cameras on the arcade that the one on the street is getting scared by the tree. Maybe we could get the SPBID to trim that tree back a little so we could get full coverage is for the benefit of all the property owners and ourselves to have full access to cameras.

Thanks,
Gary

PS I CCed Alan Johnson on this because I don't have Contact info for director is of the SPBID I was hoping

Allen could supply that to both of us.
